ABOUT ME

My name is Matthew Jungling, and I am currently a Sophomore Multimedia student at Abilene Christian University, class of 2023. My passions include videography, photography, web design, graphic design, and serving the Church.

EXPERIENCE

Communications Intern

Pioneer Drive Baptist Church, Nov. 2018 – Present

I am the Intern for Communications at Pioneer Drive Baptist Church, a local medium-sized church in Abilene, TX. I began this role as a *Production* Intern and transitioned to the Communications role in 2019. My job responsibilities now include:

- Filming and editing various video projects on a week-to-week basis.
- Managing internal and external church communications, including social media, website, and some print publications.
- Designing graphics for sermon series promos, in-service and online announcements, events, and social media.
- Coordinating and carrying out photo shoots for internal and external use.

During the Coronavirus pandemic, I took on a large role in coordinating and implementing a church-wide livestreaming equipment upgrade in May, 2020. This encompassed the researching, purchasing, and installing of five cameras each in two mirrored venue setups, the wiring and installing of existing and new equipment in both venues, troubleshooting and diagnosing problems, and operating both setups on a weekly basis since.

Camera Operator

ACUTV, Aug. 2019 – Present

• ACUTV is a student-run on-campus broadcast operation providing video and network broadcast services to the ACU Campus. I run cameras, associate direct, and provide other support operations for ESPN-carried football and basketball games, as well as for chapels, graduation, and other live shows.

Freelance Web Design & Photography

Matthew Jungling Media, Feb. 2017 – Present

I develop high quality, hand-crafted web experiences in Wordpress for the most awesome clients! Additionally, I do graphic design work, photography, and independent videography projects.

SKILLS & PROGRAMS

- Adobe Photoshop/Illustrator
- Adobe Premiere Pro
- Adobe Lightroom
- Renewed Vision's ProPresenter 6/7
- Wordpress CMS (HTML/CSS)

EDUCATION & COMMUNITY

- BS, Multimedia, Abilene Christian University 2023
- Earned **Eagle Scout** rank in March 2019.
